Introducing the new SMA SHP 150-US-20 Sunny Highpower Peak3, a 150kV, 1500V string inverter, designed for exceptional performance in large-scale solar systems.

A practical guide for selecting 1500V solar inverters in utility and C& I projects -- covering performance, scalability, and real-world conditions.

This 1,500 Vdc inverter series has been designed to comply with the most demanding grid connection requirements in the world. They feature then ...

The XGI 1500 inverters provide advanced grid-support functionality and meet the latest IEEE 1547 and UL 1741 standards for safety. The XGI 1500 inverters are the most powerful 1500VDC ...

SG4400UD-MV-US medium voltage power station features 4400 kVA output and 1500V design, which is ideal for large-scale solar projects, featuring a modular design and smart monitoring.

There are several types of 1500V inverters available today, each tailored to specific applications and operational needs. From utility-scale solar farms to remote off-grid installations, choosing ...

SMA offers the ONLY 1500 VDC inverter, the PEAK3 125 kW, with the capability to interconnect at 480 VAC without requiring significant additional equipment or sacrificing energy production.

This new power semiconductor solution allows flexible and simplified inverter design for solar central applications in a standard standalone 2 level (2L) topology. It is also an excellent ...

This 1,500 Vdc inverter series has been designed to comply with the most demanding grid connection requirements in the world. They feature then a low voltage ride-through capability, ...

The XGI 1500 inverters provide advanced grid-support functionality and meet the latest IEEE 1547 and UL 1741 standards for safety. The XGI 1500 ...

1+X modular inverters from Sungrow, SC6600/8800UD-MV-20, serve as turnkey stations for 1500V DC systems, featuring high yield, easy maintenance, and low costs.

FLEXINVERTER 1.5kV Solar Power Station The FLEXINVERTER Solar Power Station combines the technology of GE Vernova's 1500 Vdc solar FLEXINVERTER, with a medium voltage ...
