What is container shipping to Austria?

Container shipping to Austria is ourmost popular serviceto the country. The service involves loading goods into a container and shipping it for the ocean part of the transit. We offer two different types of container services which suit different circumstance.

What is a Consolidated Container for shipping from USA to Austria?

When shipping from USA to Austria,a consolidated container offers themost value for the transit. With this,a container is loaded using goods from multiple customers. Using this allows customers with less goods to have great value since they only need to pay for the goods they ship rather than a full container.
