---

The Israeli Electricity Authority (IEA) has recently awarded contracts for a total of 1.5 GW of high-voltage battery storage capacity across 11 projects in three regions of Israel.

The addition of 87 MWp of solar capacity and an integrated battery storage system will play a key role in helping Israel achieve its clean energy targets. This continued ...

The global energy-storage giant HiTHIUM is supplying Israel with large-scale storage facilities, positioning the country at the forefront of next-generation smart-energy ...

In a major step toward renewable energy integration, Israel has awarded 1.5 GW of battery storage capacity. The winning bidders, including Enlight and EDF, will deploy large ...

HiTHIUM, a global leader in long-duration energy storage technology, has announced a strategic cooperation agreement with El-Mor Renewable Energy, one of Israel's ...

Israel's Finance Ministry has announced that a new solar plant integrated with the battery energy storage system (BESS) will be developed at the Ashalim power station in ...

Israel has awarded contracts for 1.5 GW of high-voltage battery storage capacity across three regions, marking a significant milestone in the country's energy transition.

With bids totaling a prospective construction capacity ranging from 1,300 to 1,900 megawatt-hours (MWh), Enlight is poised to reinforce its leading position in Israel's burgeoning ...

The Israeli Electricity Authority (IEA) has recently awarded contracts for a total of 1.5 GW of high-voltage battery storage capacity ...

"Through this strategic partnership with El-Mor, we are delivering the long-duration energy storage technology that will help stabilize Israel's grid, enhance solar integration, and ...

The Israeli Electricity Authority (IEA) has awarded contracts for 1.5 GW of high-voltage battery storage across 11 projects in a recent tender. The awarded facilities will be ...

With bids totaling a prospective construction capacity ranging from 1,300 to 1,900 megawatt-hours (MWh), Enlight is poised to reinforce ...
