Who are Solux solar lights?

For more than 10 years and more than 400,000 installations in 60 countries, Solux, a major player in the market, has been designing and developing solar lights offering lighting in all conditions and throughout the year, offering a real ecological alternative to the world of lighting.

Why should you choose Solux solar lighting?

Premium Components for Superior Solar Lighting Due to the autonomous operation of Solux luminaires, expertise in both lighting and energy is essential for solar lighting solutions. Unlike grid-connected lighting, each project requires a comprehensive approach.

Which solar streetlamps guarantee 365 Nights of lighting per year?

Thanks to the unique Power 365 technology, developed by Fonroche Lighting, these "Made in France" solar streetlamps are the only ones to guarantee 365 nights of lighting per year. These smart and programmable lights are equipped with a NiMH storage system that can resist all temperatures and has a full 5-year guarantee.
