What are the most popular container sizes?

Our most popular container sizes are 20ft and 40ft. We keep a vast amount of stock in various depots in St. Petersburg, Moscow and other big cities of Russia meaning that we can source and deliver your container quickly and economically. Our new and used containers: Do I Need a New or Used Container?

Are new shipping containers a good choice?

New containers will always be structurally sound and weather proof. New containers have been used on one occasion to ship goods into Russia by cargo vessel. These container types are usually suitable for shipping. All of our used shipping containers are good quality, wind and water tight and perfect for domestic storage.

What is a used container?

Used containers are always weather proof and structurally sound. They can be upgraded in order to be suitable for shipping if required. They usually have marine ply flooring as standard with four vents for air circulation. Our most popular container sizes are 20ft and 40ft.

What is a new container?

New containers are also referred to as new (once shipped), or one trip containers. If aesthetics are of primary importance and you are storing goods that require a clean, neat and tidy environment, this is the best container type you can purchase.
